Career Services

Job seekers can meet virtually or in person, one-on-one, in English or Spanish, with a Career Advisor. The initial appointment is used to conduct a career assessment. The follow up appointments will be used to help the job seeker navigate the many aspects of the job search process. Our Career Advisors will walk the job seeker through all of the steps needed to get the desired job or career.

- Assess the job seeker’s career plan
- Assist with the job search and provide support
- Help build a resume
- Help job seekers complete the job application
- Practice interviewing

Free Workshops

ACE THE INTERVIEW

Prepare for any hiring event through mock interviews and tips on how to dress for an online or in person interview. Attend a hiring event or interview ready to succeed.

WORKPLACE COMMUNICATION

Learn how to communicate effectively in every situation. Make sure you are delivering the correct information the right way.

ONLINE JOB APPLICATION

Complete an online job application like a pro. Put your best foot forward by using the job application to introduce yourself as a professional.

RESUME WORKSHOP

Whether you have a resume that needs to be updated or you have to build one from scratch, this workshop will help you get the job done.

CONFLICT RESOLUTION

Meet your goals and others' goals with ease. Learn about your conflict style and use tools to resolve conflict with others easily. Approach conflict with a win-win mentality.

Job Readiness Certificate

The Job Readiness Program prepares community job seekers for the workplace. To earn a certificate of completion, job seekers must attend five workshops and meet with a Career Advisor four times over two weeks. Upon completion, participants will be able to demonstrate their commitment to possess the following soft skills: Reliability, Commitment and Initiative.
