The NEW Online *Tools for Schools* Toolkit is Here!

Visit www.livewellsd.org/toolsforschools to get started

Tools for Schools is now online and provides a wider array of **resources** based on a broader definition of **wellness** that includes **health equity** and a focus on addressing **health disparities**.

In response to district and school requests, Live Well Schools created the ***Tools for Schools*** **searchable database** to make it easier to find resources on Policy, Partnerships and Programs for:

- Nutrition
- Physical Activity
- Attendance
- Social Emotional Wellness
- Behavioral Health
